

NEW STUDENT REGISTRATION!

Welcome to **The Dancer's EDGE!** We are so excited to have you with us for classes this school year!

We've created this cheat sheet to help you navigate registering for School Year Classes!

Session Dates

Our School Year 2023-2024 Session will begin on Sunday, August 20, 2023! Recital Weekend is scheduled for June 7-9, 2024, and Dress Rehearsals will be the week prior (June 2-6, 2024).

There will be NO classes on Sunday, September 3, or Monday, September 4, due to Labor Day. Those classes will be made up at the start of Thanksgiving week!

All holiday break dates can be found in our Welcome packet which will be emailed soon and are always as available on the Calendar page of our website.

Important Financial Information

The session will run for 38 weeks of instruction. Tuition will be due for the first two weeks at the time of registration (partial month of August), followed by equal monthly payments on the first of the month September - May (36 remaining weeks of instruction divided over 9 months).

Registration Fee - A one-time, non-refundable registration fee of \$20 for the first student, and \$10 for each additional student on the same Dancer's EDGE account will be due at the time of School Year registration. While labeled a Registration Fee, this really helps cover the cost of our administrative team assisting with questions throughout the entire school year, staffing the front desk, time spent sizing/ordering costumes and more!

Credit Card Transaction Fee - If you choose to pay utilizing a credit or debit card, the system will automatically add a 3% credit card transaction fee during checkout. If you want to avoid this fee, simply change your payment method to utilize a checking or savings account via ACH instead.

AutoPay - If you want your account to be set up for AutoPay to run on the 1st of the month September-May, be sure to click the "AutoPay" check box during the checkout process.

Drop Policy - We try to provide a very flexible drop policy as we know that families' plans can change! If your student needs to drop a class, simply email us by the last day of the current month in order to not be charged for the next month. Similar to other subscriptions or memberships, your tuition will be due for the entirety of the current month in which you notify us of a class drop. Registration and costume fees are nonrefundable once they have been assessed.

Registration Reminders

All students who would like to enroll in Jazz, Lyrical, and/or Acro must also be enrolled in a ballet class during the School Year session.

When registering, if a class shows up in **RED**, the class is currently full. You can add your student to the waitlist by clicking the red class. We do recommend that you go ahead and register for another available class for your student's level in order to have a spot in a class while we work to see if availability opens up in your first choice of class.

If you want to change your class registration, please send an email to info@dancersedgeonline.com.

Recital Assignments - If you'd like your student to be scheduled in the same Recital performance, we recommend enrolling them in classes on the same weekday. Example: If a Level 1 student takes Ballet 1 on Monday and Tap 1 on Thursday, it is likely that he/she will be performing in two different shows because show assignments are segmented by class weeknight. This does not always work perfectly when it comes to siblings. Oftentimes, we need to schedule students in Level 3+ in a separate show from the Tinies through Level 2 students enrolled on the same weeknight in order to keep the younger student shows shorter. We always do our best to place siblings in the same Recital performance, but it is not possible to perfectly do so for all families. Thank you for your understanding.
